Mr. Syd Pollack,
P. O. Box #64,
North Tarryton, N. Y.

Dear Mr. Pollack:

Please pardon my delay in answering your letter of March 18th, but I have been out of town the best part of the time.

I imagine that you have seen Mr. Johnson by this time, and he has told you that I have accepted another Club for Daytona, Beach on Easter Sunday. I do hope that they will be able to get located elsewhere.

Thanks for your information concerning the publicity in Daytona Beach. I will have my man who goes South with the team work on the publicity for me.

I will be pleased to contact you further if anything develops that I think will be of mutual benefit. With best wishes for a successful season.

Very truly yours,
